HAZELDENE HOUSE

TERMS AND CONDITIONS FOR RESIDENTS FUNDED BY THE NHS

PART A

1. ABOUT THIS DOCUMENT

- 1.1 This document is important as it is your contract with Hazeldene House Limited (the "Company"/"we"/"our"/"us"). You should read it carefully as it is legally binding. You may like to seek independent legal advice as it is important that you have read and understood these terms and conditions before entering into this agreement. These terms are intended to protect you and us from any misunderstandings and are for our mutual benefit.
- 1.2 This document sets out our general terms and conditions that will apply if you decide to move into Hazeldene House (the "Home"). From time to time we make amendments to our terms and conditions to reflect new health and safety laws or sector regulations, or to improve the service that we provide to you. In all cases, we will consult with you and your representative, if applicable, about proposed changes and provide you with at least 28 days' notice before any modification takes effect. If you object to any modifications, you have the right to terminate this agreement without penalty.

2. SUMMARY OF KEY TERMS

- 2.1 Below is a summary of some of the important terms in this contract. However, this summary does not include all of the contract terms and it is important that you read the contract in full.
- 2.2 Representative liability: If you are a representative of a resident and sign this agreement on their behalf, you will be liable to pay additional chargeable services if these are unpaid (unless you sign as the resident's legal attorney or deputy).
- 2.3 Additional chargeable services: NHS Funding does not cover personal items such as clothing, newspapers/magazines, and toiletries; hairdressing; dry cleaning; a private telephone, internet or television service; chiropody; medications; continence aids; optician; dentistry; physiotherapy; or other privately arranged healthcare.
- 2.4 If you need to go to an external appointment and require a member of staff to accompany you, you will be charged the rate per hour shown in the Funding section of the Home's website plus transport costs.
- 2.5 Pets: We do not allow pets unless by special agreement with the home manager.
- 2.6 Notice periods: you will not be required to give us any notice if you choose to leave the home.
- 2.7 If we require you to leave the home (e.g. if we can't meet your needs, if you behave in a way that seriously affects other residents or staff, if you do not pay our fees, or if the home needs to close), we will give you 28 days' notice unless it is not possible to do so.
- 2.8 Complaints policy: our complaints policy is available on our website or a copy can be obtained from the Home Manager.

3. IMPORTANT INFORMATION FOR REPRESENTATIVES OF RESIDENTS

- 3.1 If you are the representative of a resident and sign the Resident Agreement on the resident's behalf, the requirement to pay the additional chargeable services detailed in the Resident Agreement will apply to you in the same way it applies to the resident. You will be personally bound by this requirement unless you have signed the Resident Agreement in the capacity of:

- the resident's validly appointed attorney under either an enduring or lasting power of attorney and that power of attorney remains valid; or
- the resident's validly appointed deputy.

If you are the resident's validly appointed attorney or deputy at the time of signing the Resident Agreement it is your responsibility to ensure that your appointment remains valid (for example by registering an unregistered enduring power of attorney at the time it becomes registrable). If your appointment as the resident's attorney or deputy ceases to be valid, you will immediately become personally responsible for the resident's obligation to pay our fees.

PART B

4. SERVICES COVERED BY NHS FUNDING (NO ADDITIONAL PAYMENT REQUIRED)

4.1 Services include:

- Full board and accommodation in a room for your exclusive use (or, if you have chosen to share, in a double room). The room can be provided with all necessary furniture, or if you prefer, you can bring your own furniture provided it complies with the relevant fire and health and safety regulations.
- A choice of meals, plus snacks and drinks. We will also cater for special dietary requirements by arrangement with the Home Manager and Chef.
- Full use of all the communal lounges, dining rooms, bathrooms and any other communal facilities in the Home.
- The opportunity to join in with activities run by the Home and the use of recreational facilities (you may be asked to make a financial contribution to the cost of some activities or excursions).
- Assistance with washing, bathing, medication and other personal services, as reasonably required. Staff are on duty throughout the day and night to assist you.
- A complete laundry service (excluding dry cleaning).
- Liaison with your GP, social worker, district nurse, dentist, chiroprapist and other professionals, but any charge that any of these make must be met by you.
- Nursing care (where this is expressly included in the Resident Agreement).

5. ADDITIONAL THINGS THAT WILL BE CHARGED TO YOU

5.1 We expect you to pay separately for:

- Transport outside the home;
- One-to-one staff assistance outside the home, which will be charged for at an hourly cost of per hour. This charge may increase on an annual basis in line with the National Living Wage rate compared to the previous year;
- All personal items such as clothing, newspapers/magazines, toiletries, and hairdressing; dry cleaning; a private telephone, internet or television service;
- Medications, continence aids, opticians, chiropody, dentistry, physiotherapy, and other privately arranged healthcare. Assistance with purchasing personal items may be available by arrangement with the staff, if required. You may be entitled to receive certain items and services free of charge from the NHS but, if this is not the case, you will need to pay for them yourself;

5.2 The needs of individual residents vary from time to time; the Home Manager and staff will work closely with you and your relatives/representatives to identify your needs and wishes and to meet them wherever possible.

6. EXTERNAL APPOINTMENTS

- 6.1 If you require an emergency visit to the hospital or an external clinic we can arrange for you to be taken in an ambulance or another appropriate vehicle.
- 6.2 Where a visit to a hospital or external clinic is a non-emergency/pre-arranged appointment you shall be responsible for arranging your own transportation and ensuring that you are suitably accompanied to your relevant appointment.
- 6.3 If your appointment was booked by us and no one else is available to accompany you to the appointment, we can arrange for an off-duty member of staff to accompany you for an additional fee. Charges will be based on an hourly cost of £20.00 per hour. This cost will be reviewed in April of each year and will be increased by the percentage increase in the National Living Wage (NLW) rate compared to the previous year. Any additional costs for transport (for example, taxi fares) must also be paid for by you.
- 7.0 ACCIDENTS
- 7.1 We will notify your relatives or representative(s) of any accidents, injuries, or illness sustained by you, when appropriate, and all incidents will be recorded.
8. PERSONAL POSSESSIONS AND PETS
- 8.1 The Home makes every effort to provide a secure environment but cannot take responsibility for loss or damage to personal effects brought into the Home, unless such loss or damage occurs as a result of our act or omission.
- 8.2 Within reason, you can bring with you furniture and possessions to make your room as personal as you wish (provided that any furniture and electrical items comply with relevant fire and health and safety regulations and the Home's policies).
- 8.3 If you wish to bring any electrical items or your own furniture, you should discuss and agree this with the Home Manager.
- 8.4 Electrical items can become damaged and this may result in an electric shock or sometimes a fire. For safety reasons all portable electrical machinery, equipment and appliances brought into the Home by you or anyone else must be safe and have been tested by a competent contractor no more than one month prior to the item being brought into the Home. The exception to this is an electrical item which is brand new, boxed, unused and purchased within the previous six months. Items which have been appropriately checked and passed as safe must carry a sticker and be accompanied by a recognised certificate of safety.
- 8.5 Portable Appliance Testing (PAT) is arranged by the Home each year to satisfy us that electrical items belonging to the Home and to residents are safe. The cost of this testing is normally borne by the Home, but we reserve the right to re-charge to you the cost of testing your own personal appliances at a cost of per appliance. Unless an electrical item is new, as above, all electrical items must be checked by the Manager or their deputy for a relevant PAT certificate when they are brought into the Home. The Manager will enter details of all electrical items onto an inventory for you – this will ensure that these items are checked each year.
- 8.6 The Home reserves the right to immediately withdraw from use any electrical item belonging to you which is reasonably considered by the Home Manager to be unsafe.
- 8.7 Should you require insurance for specific items please ensure that suitable arrangements are made as the Home's insurance policy will not cover your personal belongings. You or your representative will be required to complete and sign an inventory of the items that you bring with you into the Home.

8.8 The Home is unable to accept pets unless by special agreement with the Manager.

8.9 If you or your representatives are unable to remove your possessions within three days of you leaving the home, your possessions will be removed by us to enable the room to be used by another resident. You or your representatives may request an extension in writing from the Home Manager. Should it be necessary for us to store your possessions and these remain uncollected after a period of three months, your possessions will either be disposed of or given to charity and we will provide you or your representatives with notice of our intention 28 days in advance.

10. RIGHTS OF RESIDENCY

10.1 Your residence in the Home does not give you a tenancy or an assured tenancy under the Housing Act 1988, neither does it create or imply any right to security of tenure. You will be allocated a room on admission which you will occupy as a licensee only. We will not normally ask you to move from one room to another; however we reserve the right to relocate you to a different room at any time if we think this is necessary to enable us to deliver effective and efficient care services in line with your assessed needs. If we do need to move you to a different room, we will give you at least 28 days' notice and will only move you with your permission (unless in the case of an emergency). If the move is unacceptable to you, you will have the right to terminate your contract with us with immediate effect and without penalty, but this will mean that you will have to leave the Home.

10.2 We have, and require, full, free and unrestricted access to your room in order, amongst other things, to provide the services referred to in this document.

11. WHAT WE ASK OF YOU

11.1 Whenever a group of people live together in a community, such as in the Home, it is important for the smooth running of the Home and for the comfort and happiness of all residents that some simple rules are observed by everyone. These rules will always be reasonable and are made either to implement the Home's statutory obligations or for the general comfort of all residents (they are not made for the convenience of the Home and its staff).

11.2 On this basis, you are required to agree to the following rules:

- Smoking – for safety reasons you are not permitted to smoke in your room, except with the express permission of the Home Manager. The Home Manager will advise you of the arrangements that apply if you wish to smoke in the Home.
- Keeping your medication in the locked cupboard provided – the Home is required to ensure that all medication is kept in a locked cupboard. If you wish to administer your own medication we are happy for you to do so, if you are assessed as being able to do so, and we will provide you with a suitable lockable cupboard in your room for you to keep your medication in. You are required to ensure that your medication is always kept in the cupboard and that the cupboard is kept locked.
- Fire safety measures – for your own safety and that of other residents you are required to observe the Home's fire regulations.
- Gifts and bequests to members of staff – the Home operates a strict rule whereby the Home's staff are not permitted to accept gifts or bequests from residents. We ask you, therefore, not to offer gifts or make bequests to members of staff. If you would like to show your appreciation in some way, you should discuss this with the Home Manager.
- The signing of legal documents – the Home's staff are not permitted to sign as a witness to any legal documentation that relates to you.
- Taking care of your personal possessions (including clothing) - we cannot accept liability for items of clothing and other personal possessions that become lost or damaged, unless this is as a result of our act or omission. We ask that you keep all items of your clothing properly labelled with your name. This is a simple precaution that will minimise the risk of your clothing being mislaid or lost.

12. CARE PLANNING AND DATA PROTECTION

- 12.1 On your admission to the home, we will establish your Care Plan which will be reviewed at regular intervals throughout your stay. We will keep a record of your relevant medical information and will endeavour to provide you with a service in accordance with your wishes, including your social, religious and cultural traditions. Changes in the level of care you require may result in an increase in your weekly fee as explained in whichever of Parts C,D or E applies to you
- 12.2 In order to care for you we need to hold certain records about you. Our use of your records is regulated by the Data Protection Act 2018 and the General Data Protection Regulation ((EU) 2016/679). A copy of our privacy notice is attached to this agreement, which explains the type of information that we hold about you, why we need it and with whom we may share it.

13. VISITORS AND RESPONSIBILITY FOR DAMAGE

- 13.1 Visiting times are normally between 9am and 8pm Monday to Sunday but arrangements can be made with the Home Manager or Duty Manager for visits outside of these times.
- 13.2 Visitors must comply with the rules of the Home, which are set out above at paragraph 11.2.
- 13.3 Any intentional damage caused by you or your visitors to the home's furniture, fabrics or fittings will be charged to you at the replacement cost.
- 13.4 Should we feel that the behaviour of your visitors is such that it poses a real or significant danger to our residents, staff or other visitors, we may ask your visitor(s) to leave and may prevent any future visits from taking place. This decision will only be made after a thorough risk assessment and appropriate consultation with you and/or your representative and the visitor concerned. Such decision will be kept under regular review and will be subject to an internal appeal mechanism whereby you and/or your visitor(s) will be able to dispute our decision.

14. NON-FINANCIAL CIRCUMSTANCES IN WHICH YOU MAY BE ASKED TO LEAVE

- 14.1 If the Home is unable to provide the level of care you need: We hope we can accommodate all our residents' needs, including end of life care where this becomes necessary and is in the best interest of the individual.

If, despite reasonable adjustments, your needs exceed those the Home can provide, the Home Manager will explain to you and your relatives or representatives the type of care arrangements that you need and assistance will be given in making alternative arrangements for your future care. The decision to move you from the Home will only be made following consultation with you, your family and relevant health professionals.

If you leave the home in these circumstances you will be given at least 28 days' notice. However, if it becomes impossible for you to stay in the home and immediate action is necessary (for example, because of a rapid deterioration in your health which means we can no longer meet your needs), a shorter notice period may be provided but we, together with the local authority or clinical commissioning group, will provide you with support and assistance to help you find suitable alternative accommodation.

- 14.2 Incompatibility: If you persistently behave in a way that seriously affects the wellbeing of other residents and staff in the home, we may consider that it will be in your best interests and in the best interests of the Home for you to leave. Before asking you to leave, we will make all reasonable efforts to address and manage detrimental behaviour and consult with you and your representatives to ensure you understand that a problem has arisen and are supported to behave in a different way. Where we ask you to leave, we will provide you and your representatives with 28 days' written notice, but we will work with you to help you find suitable alternative accommodation. As above, you will be responsible

for payment of additional chargeable services (less any amount paid for you by the local authority/NHS) up to and including the date you leave. Any amount paid in advance will be refunded to you for the period of time after you have left the home and for the period of time that any public funding (if applicable) has ceased. Please refer to paragraph 8.9 for details of how our charges may continue if you do not remove your personal possessions at the same time as you leave the home.

- 14.3 Emergency closure of the Home: In the unlikely event that the Home has to be closed in an emergency situation, you will be required to leave the Home. We will give you as much notice as reasonably possible in all the circumstances but certain emergencies may necessitate your leaving the Home on immediate notice. If this were to happen the local authority (or the NHS if applicable) would be responsible for finding an alternative home but we would give you as much assistance as possible to do this. Any charges that you had paid in advance that related to the period after the date that you left would be refunded to you.
- 14.4 Other reasons: There may be other reasons why we would need to ask you to leave the Home, e.g. if we needed to close the Home for any (non emergency) reason. In this event we would give you at least 28 days' notice.
15. IF YOU CHOOSE TO LEAVE THE HOME
- 15.1 If you decide, for any reason, that you no longer wish to live in the Home you can move out at any time with no notice period. Written confirmation should be hand delivered to the Registered Manager or sent by post to the Home.
16. PROCEDURE ON THE DEATH OF A RESIDENT
- 16.1 Our objective is to enable residents to enjoy a high quality of life, and talk of death may appear inappropriate. However, it is the wish of many of our residents and their families when deciding to move into the Home that they will live in the Home and be cared for there for the rest of their lives.
- 16.2 To enable us to fulfil this important aspect of care, it would be helpful if you could advise us of any particular requests you may have, including any social or cultural traditions you would wish to be observed.
- 16.3 If you die whilst living in the Home and your possessions have not been removed after a period of three days, they will be removed by us to enable the room to be used by another resident. If your representatives are unable to remove your possessions within three days of the date of your death, your representatives may request an extension in writing from the Home manager. Should it be necessary for us to store your possessions and they remain uncollected after a period of three months, your possessions will either be disposed of or given to charity. Should it become necessary to sell or dispose of your possessions, we will provide your representatives with notice of our intention 28 days in advance.
17. SOME GENERAL INFORMATION ABOUT THE HOME
- 17.1 The Company is registered with the Care Quality Commission in respect of its ownership and operation of the Home. Inspectors have a statutory responsibility to inspect the Home to ensure that it is being operated in accordance with current legislation and to assess the standard of service we are providing. Their reports are published at www.cqc.org.uk.
18. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999
- 18.1 Any rights that would be conferred on third parties by operation of the Contracts (Rights of Third Parties) Act 1999 are expressly excluded from any contract entered into between the Company and any resident, any resident's attorney or any person personally contracting with the Company in respect of a resident.

19. COMPLAINTS PROCEDURE

19.1 We welcome your comments, both positive and negative, regarding the service you receive. If you are in any way dissatisfied with our service and would like to register a formal complaint, it is vital you follow our Complaints Procedure to ensure we fully consider your grievance. Our Complaints Procedure is in the "Policies" section of our website or a copy can be requested from the Home Manager.

20. RIGHT TO CANCEL

20.1 If you have not signed this agreement at the Home (for example because we have visited you at your home or in hospital, or we have contracted with you by post), you have the right to cancel this contract within 14 days without giving any reason. The cancellation period will expire after 14 days from the day we enter the contract. To exercise the right to cancel, you must inform us of your decision to cancel this contract by a clear statement (e.g. discussion with us or the Home Manager or a letter sent by post or e-mail). You may use the attached model cancellation form, but it is not obligatory. To meet the cancellation deadline, it is sufficient for you to send your communication concerning your exercise of the right to cancel before the cancellation period has expired.

PART C

22. OUR CHARGES

22.1 As you are eligible for NHS funded continuing healthcare, the NHS is responsible for paying for your assessed care needs and accommodation.

22.2 However, if the NHS decides that you are no longer eligible for NHS Continuing Healthcare Funding you will be responsible for paying the Home's Total Weekly Fee as specified on page 1 as the "Total Weekly Fee if NHS funding withdrawn".

22.3 This means that:

- If you are not eligible for all or part of the Home's charges to be paid by a local authority and you are unwilling or unable to pay the Home's charges then we will be entitled to require you to

leave the Home. You will be given not less than one month's notice and you will have to leave the Home at the end of the notice period;

- If you are eligible for all or part of the Home's charges to be paid by a local authority and there is a shortfall between the Home's Total Weekly Fee and the amount that the local authority will pay (together with the amount of your assessed contribution) any shortfall in fees must be paid by a third party on your behalf from the date that the local authority starts paying for you, up to the second anniversary of that date. After that period you will be able to stay in the Home and we will not seek to recover the shortfall from you or from anyone else. If the shortfall cannot be paid by a third party for the two year period then we reserve the right not to accept you as a local authority funded resident, in which case you will either have to leave the Home or you will have to pay the Home's Total Weekly Fee from your own funds without any contribution from the local authority.

23.

INVOICING AND PAYMENT ARRANGEMENTS

23.1

For convenience and regularity of payments, our additional chargeable services are payable monthly in arrears by direct debit. You are required to sign the direct debit agreement shown on the following page. The direct debit agreement will give the Company the right to deduct any amounts that are then outstanding as due from you to the Company.

23.2

If our charges remain unpaid 28 days after their due date for payment, we reserve the right to charge interest at the base rate of the Bank of England, calculated on a daily basis from the due date up to the date of actual payment and we reserve the right to take legal action in respect of our unpaid fees and/or ask you to leave the Home.

23.3

At the end of your stay we will provide a statement of account. If this shows that there has been an overpayment of any charges, the amount of the overpayment will be refunded by direct credit. Alternatively, if the statement shows an outstanding amount due to the Home in respect of any charges, the outstanding amount will be payable.

24.

FINANCIAL CIRCUMSTANCES IN WHICH YOU MAY BE ASKED TO LEAVE

24.1

If you or a third party (other than the NHS) pay part of our charges and these are not paid in full when they are due, you may be asked to leave.

24.2

If you have difficulty meeting our charges, we would encourage you to discuss this with the Home Manager before you fall into arrears. If such difficulties are temporary, it may be possible for the Home Manager to provide you with an extension of time to make these payments, although this would be entirely at the Home Manager's discretion. In the absence of any agreement with the Home Manager, if the part of our charges that are payable by you are not paid at the times we have agreed with you and you are unable to satisfy us that the reason for the non or late payment is temporary and that all arrears will be paid in full, you will have to leave the Home within 28 days.
