

## **HAZELDENE HOUSE CARE SUITES RESIDENTS' CHARGES**

- (1) Our weekly charges start from £1,695.00.
- (2) The weekly charges for a second occupant are £1,095.00.
- (3) These charges are subject to a "fair usage policy". This means that the weekly fee may increase if the resident uses more than four hours per resident per day on an on-going basis, either as a result of the resident's personal wishes or care needs. Additional care staff time is charged at £25.00 per hour.
- (4) There is an additional charge when staff accompany residents on time away from the home (e.g. for hospital appointments or to attend events). This service is charged at a rate of £25.00 per hour per staff member, subject to a minimum charging period of four hours (i.e. the charge will be £100.00 per staff member if the time away is anything up to four hours).
- (5) Nursing Care provided by Registered Nurses is in addition to the above charges. This is the responsibility of the NHS.
- (6) All charges cease on the date of death or the date of permanently moving-out (based on the actual date of moving-out or the date of receiving written confirmation, whichever is later).
